MEMORANDUM

TO:    W. David Sloanon
FROM:  Norman Redlich

When Lee Harvey Oswald was arrested in New Orleans, he
had in his possession the attached piece of paper which now
carries FBI Identification No. D229. Lieutenant Martello of
the New Orleans Police wrote down the contents of this slip
of paper and gave it to Agent Quigley of the FBI. This was
introduced as Commission Exhibit No. 827 during Quigley's
testimony. I think that the original document or the FBI
photograph of this document, which is also attached, should
be introduced into evidence. I am forwarding this to you
since I presume that sometime in the future you will introduce
into evidence a variety of documents in connection with
Oswald's travels. Since this paper was obviously prepared
in Russia, it may be appropriate to introduce it at that
time.
